MVC Design

Dev Work History

Teaching Assistant | SMU:Coding Boot Camp | March 2017 - Present

SMU Coding Boot Camp is a part-time, 24-week Full Stack Flex course that gives students the knowledge and skills to build dynamic end-to-end web applications and become a full stack web developer. The program is rigorous and fast-paced and covers both the theory and application of web development.

Software Engineer | GivePulse | Sept. 2016 - May 2017

GivePulse is a startup company focused on enabling people to create impacts throughout their community through volunteerism. It is a fast-paced work environment with high demands. With our small development team we work efficiently, and endlessly to meet the needs of our clients, wearing multiple hats during the process.

Dev Internships

Dev Intern | GivePulse | May - Aug. 2016

- + Hired on as an intern
- + Tasked to extract data while mastering PHP
